

Scholarship Fund

January is the beginning of the school year for Kenyan school systems. Our goal this year is to be able to sponsor 30 students. We would really like to see more girls attend and graduate high school. This year marks the 3rd year of the scholarship fund. We have helped many students be able to have an opportunity at a education. Please consider sponsoring a student this year. The cost of a high school education at a boarding school in Kenya for one year is \$350. If you would like to contribute to the funds but can't afford to pay the \$350 all at once, we can except it in 3 installments.
